Board went into discussion about potential short comings with CHIP's funding/Sales Tax/ Etc. Supervisor Smith stated everything currently is unknown will have to wait and see outcome. Highway truck has been ordered, paving may need to be cut back we will have to wait and see. A highway employee put a complaint into State regarding highway staff being required to work when they are not considered "Essential Employees". Supervisor Smith has addressed this complaint with the Emergency Services Director at County. He advised that Highway Employees are doing singular activities, nothing where they are working together. They have been sweeping roads, hauling material in trucks, etc. Highway work on roads is the main thing residents get for their tax dollars in Galway. Councilman Fred Arnold stated that they needed to follow social distancing regulations, and wipe down trucks at the end of day.
