

COVID-19 Pfizer Vaccine

Booster Clinic

Individuals 65+

November 9, 2021

9am—3pm

Galway Fire Department

1985 West St

Galway, NY 12074

This event is intended only for individuals aged 65 and over that have previously received two (2) doses of the Pfizer vaccine. Second doses must have been administered at least 6 months prior to the clinic date.

Please wear a short sleeve shirt, bring photo identification and your vaccination card with you. Be prepared to wait at least 15 minutes after receiving the vaccine.

Registration is required to receive the vaccine. Please visit saratogacountyny.gov or call 518-693-1075 to schedule an appointment.
