Questions? Call the Animal Shelter at 518-885-4113

### 2022 Dates:

April 5th

May 17th

June 28th

August 23rd

October 18th

### Times:

- Cats 5:30-6:30 PM Must be in a carrier
- Ferrets 5:30-6:30 PM Must be in a cage or carrier
- Dogs 6:30-7:30 PM Must be on a leash

Times are strictly enforced for the safety of all animals.

**Cost:** Free, however donations are accepted

All vaccination certificates are written for one year. If a previous signed certificate is produced, a three year certificate will be written.

### General Rabies Information:

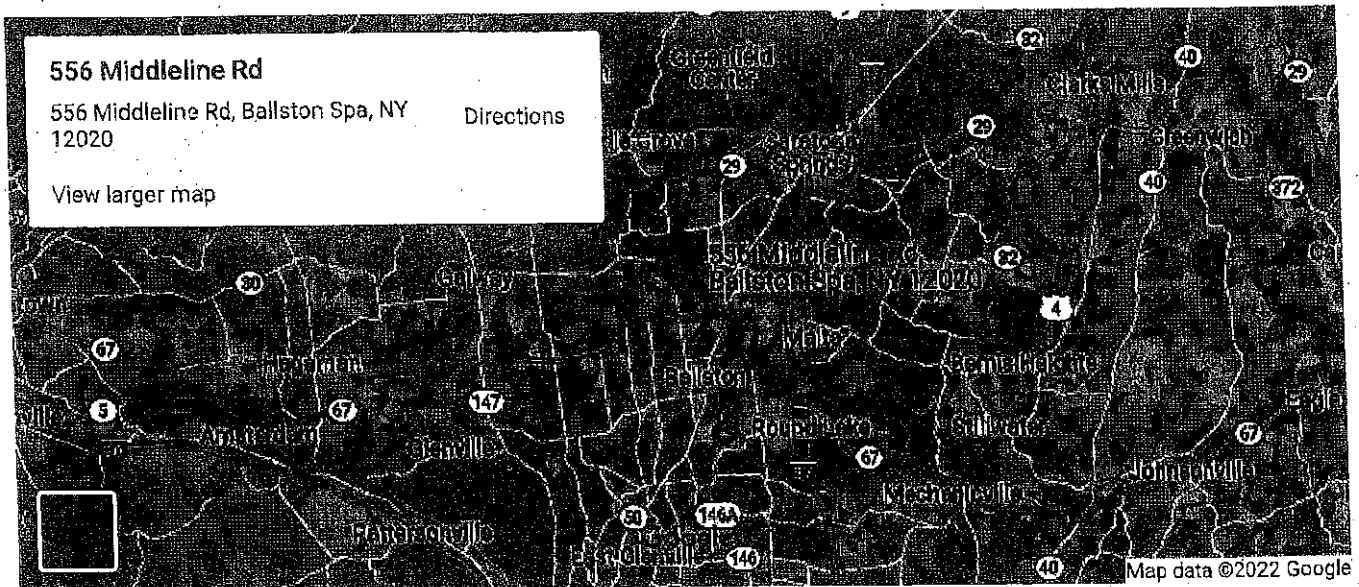

Animal rabies continues to be a serious public health problem in New York State. If you, a family member, or a pet comes in contact with an animal that could be rabid, you should contact **Saratoga County Public Health at 518-584-7460**. They will advise you what to do.

Rabies can be carried by any wild mammal (raccoon, skunk, fox, coyote, or bat). There are also precautionary measures taken if you are bitten by a domestic animal (dog, cat or ferret). If this happens, you should first obtain the owner's name, address and phone number. Then contact the Saratoga County Public Health Department at 584-7460.

### Clinic Location:

#### 4-H Training Center

556 Middle Line Road  
Ballston Spa, NY 12020
